

GROWING GREENHOUSES WITH GREAT PARTICIPATION

Productive Participation!

- Answer Questions Posed by the Teacher
 - Respond to Questions or Statements Given by Your Classmates
 - Connect the Material to Your Life by Sharing a Relevant Story or Experience
 - Ask questions if you are confused or need further explanation
 - Discuss the topic with your peers during small group activities
- (You must raise your hand to ask a question or make a comment during whole class activities)

Earn a paper flower each time you participate in class using a strategy above (up to 3 per person per period). When the greenhouse is full, we will spend 3 days researching, designing, constructing, and experimenting with mini greenhouses.
